

Lay Advocacy Training Program

Provided by:

The Missouri Lay Educational Advocacy Network

* June 17th & 18th, 2019 8:30 am - 4:30 pm

**Developmental Disabilities Resource Board
1025 Country Club Rd, St. Charles, MO 63303**

To sign up, contact Angie Rhodes at:
arhodes@factmo.org , or call 636-949-2425 ext. 254

This training program provides participants the knowledge and skills to advocate for and support families in the educational setting. After completing the two day training, participants will practice the skills they learned with families during school meetings and have a mentor available to assist them. Once participants have had an opportunity to practice the skills, participants return to a one day training that focuses on gaining a deeper understanding of advocacy. Lunch is provided. Lay Advocacy Certification and CEUs included.
